The work here suffered because of the floods year before last and the school - church and all the buildings were washed away by the floods. We are very <sup>thankful</sup> because of your continued interest and by fall the new building school be completed.

There was no pastor here so our society thought of a plan. In addition to the undergraduate woman evangelist we engaged one of the young pastor (who had had to resign because of no funds) to work here as the evangelist.

We believe that there will be a very great work here. Just now the pastors are planning on how they can help in the rural reconstruction on Christian in principles and we hope much for the work.

小池口的工作，因前年水災，將所有的房屋禮拜堂及學校都淹沒一空，喜者，蒙諸位之助，大約今秋季學校能再成功。更因彼處未有牧師，所以女佈道便設法，於女佈道之外另請了一位青年牧師，在此工作。想日後必有多人信服上帝。因其地多平原，可有好工作。加之現在的牧師，正在籌畫如何幫助農民歸主，並且提倡鄉村工業，希望能有成功！
